FRIENDS OF NORMANDY WILDLIFE - NEW GROUP

The Friends were formed in July this year. Sightings in Normandy of rare and lovely wildlife had been reported, but there was no recording of this information. The Friends decided that this was a pity, and formed a group to record sightings and to make sure that the beauty of the wildlife in Normandy was publicised.

We ask everyone in Normandy to help us by letting us know if they see something unusual, or beautiful. You are welcome to join our group. We meet on the 1st Sunday of every month. The next meeting will be 7th September at Oakdene, Westwood Lane, 6:30pm.

To date:

- we are running a Garden Watch on 7th September, asking villagers to record what they see in their gardens in a single hour on that day. For more information contact Gill Woolfson 01483 234818, or check the Parish Council website to download the questionnaire;
- we are hoping to have wildlife walks and talks this autumn. Information will be on the Parish Council website.

GLAZIERS LANE – MORE SUBSIDENCE

Many residents will have noticed that subsidence has again occurred in Glaziers Lane near Heritage Cottages.

The Parish Council has been working hard, with others, to have the problem resolved. The only success to date is the filling in of the ever deepening pothole.

Hopefully all the authorities involved, SCC Highways Dept, SE Water and others will soon permanently resolve the problem. In the meantime if you are driving into Glaziers Lane from Guildford Road do so with caution.

FLOOD FORUM – MEETING

There will be a Flood Forum meeting on Friday 12th September 2014 at Emmanuel Church on Glaziers Lane at 1pm. Please do attend to hear notices and put your views forward. If you would like further information, please contact the Parish Clerk on 01483 811108.

HELP WITH COMMUNITY SERVICE WORKERS

All readers of the Villager must have noticed all the ditch clearance (which has reduced flooding), tree coppicing and general clean up that has been carried out around the Village over the last year. All at no cost to the Village tax payers. The Community workers

However volunteers are required to meet them, conduct them to where they have their breaks and serve them tea, coffee and biscuits which of course are provided by the Parish Council, and, explain to the Probation Officer supervisor the work that they are scheduled to do that day. How long does it take? The guys arrive sometime between 9 and 10 o'clock. You direct them to the tea and coffee facility, serve tea and coffee, liaise with the Probation Officer about their break times show the work to be undertaken, serve their tea and coffee at break times, clear up and return the victuals to the Parish Clerk which takes a maximum of about 4 hours each time. All the arrangements are made by the Parish Clerk who will deliver the coffee, tea, keys etc to you the day before you are on duty.

Please consider sparing four hours every couple of months to help out and help keep our Villager looking good. If you are willing to help, please contact

the Parish Clerk, Leslie Clarke on 01483 810492.

REPAIR CAFÉ INITIATIVE

Guildford Borough Council is keen to organise a 'Repair Café' and is looking for local volunteers to support this scheme. The idea behind the repair café is to get people to repair 'things' as opposed to throwing them away just because they show slight defects. The repair café allows people to pop in with articles of clothing, furniture, bikes, etc. and learn how to repair them under the supervision of volunteers who have the practical know-how.

The benefits are:

- residents will learn the skills to carry out any future repairs,
- it will help build communities,
- it helps cut carbon emissions and reduce the amount of materials going to landfill.

Guildford Borough Council are

recruiting local residents that have the skills to support this project. If you are an electrician, seamstress, carpenter or general handy person and would like to volunteer and get involved with the Repair café, please contact the Climate Change Team at Guildford borough Council:
cati.smith@guildford.gov.uk or phone 01483 444509.
