

Area: Guildford

Issue 148 – 9th to 15th September 2019

Our weekly bulletin policy and ‘follow a works’

Our policy with regards to the weekly highways bulletin is to include utility works on traffic sensitive streets requiring the deployment of a road closure or traffic management that would cause a major impact (e.g. multi-way traffic lights). This policy is to ensure works that are most anticipated to have an impact on the network are highlighted.

All other road works can be found through the [roadworks](#) website. You can register for alerts regarding roadworks by clicking ‘Sign up here’ on the pop out for the set of Surrey Highways or utility works that you are interested in. You will then receive an alert when any of the details of those works change. Have your say about our roadworks by completing our [feedback form](#).

Surrey County Council works due to be carried out between 9th to 15th September

If you have any queries about the Surrey County Council works please contact the Works Communication Team - works.communication@surreycc.gov.uk ☎ 0300 200 1003 or visit www.surreycc.gov.uk/roadworks for full details of all works, where you can also set up email alerts for areas you are interested in.

Works by utility companies due to be carried out between 9th to 15th September

There are a high number of works by utility companies carried out across Surrey each day. These can range from a new supply to a private property to a major mains renewal project. With the focus on the potential for traffic disruption, the following is a list of works in the Guildford Borough which either start in the forthcoming week or are continuing into or through the week.

If you have any queries about the utility company works please contact us - ☎ 0300 200 1003 or visit www.surreycc.gov.uk/roadworks for full details of all works, where you can also set up email alerts for areas you are interested in.
