Issue 184 – 15th to 21st June 2020

How wider pavements and new cycle paths could help unlock Surrey

Surrey County Council is working to help pedestrians be on the front foot and cyclists get in gear so they can stay safe and social distance while they're out and about.

We are working with our borough and district councils to identify locations where improved spaces for walkers and cyclists would help residents to get out and about as the lockdown is gradually lifted.

This includes town centres and other shopping areas, where wider pavements would give people confidence to return to the shops and support our high streets – once government restrictions allow more shops to reopen in the coming weeks. More information on our [Surrey News page](#).

Surrey County Council works due to be carried out between 15th and 21st June

We are resuming essential roadworks to help keep routes open and safe for key workers. It may not be possible for some of the works listed below to go ahead during the current government restrictions. If you have any queries about these works please contact the Works Communication Team - : works.communication@surreycc.gov.uk or visit www.surreycc.gov.uk/roadworks. We ask that you support our essential workers and the job they have to do; their job is vital to keep the network safe and Surrey moving.

Road	Location	Description of works	Expected Start Date	Expected Completion Date	Traffic Management
Ash Road	Ash	Surface Dressing	11/06/2020	15/06/2020	Road Closure
