

Agenda item EF-106

Following the council rationalising the litter and dog poo bins in the village the clerk has circulated a refreshed audit to the committee.

- (a) A resident has requested a dog poo bin somewhere along Westwood Lane, and has suggested a location as noted in the audit
- (b) The bin adopted from NVH has been moved onto council land and is an open bin, this is an open bin and there has been ongoing problems with local wildlife accessing and pulling litter from the bin

Matters for consideration:

- (a) Do the committee consider it is necessary to add a bin in Westwood lane, and if so a dog poo bin from stock or to purchase a new black bin which would be multi purpose.
- (b) Do the committee wish to purchase an enclosed bin in the picnic area of Manor Fruit Farm?
 - option 1:
[Derby Steel Litter Bin with Galvanised Liner 120 Litre Black BX452550-E-120Blk \(recyclingbins-direct.co.uk\)](https://recyclingbins-direct.co.uk/derby-steel-litter-bin-with-galvanised-liner-120-litre-black-bx452550-e-120blk)
 - option 2:
[Barnsley Litter Bin Mark 2 - 112 Litre Capacity - Bin Shop \(bin-shop.co.uk\)](https://bin-shop.co.uk/barnsley-litter-bin-mark-2-112-litre-capacity)
 - option 3: reuse the NVH bin
