- (iii) Footbridge repairs

The Council have received the following email from a resident:

\*see photos below / overleaf\*

"I like to walk the local paths in Normandy with my rollator. Unfortunately, there is a bridge that is too narrow for me to negotiate and prevents a nice round walk. Could I please ask that another sleeper could be added to this bridge to enable people like me or with pushchairs to access this footpath."

### **Matters for consideration:**

Do members wish the maintenance team to make amendments to the foot bridge as per the request?

- (iv) Tennis Club lease - no progress to note
