

**C25-018 Emmanuel Church 200<sup>th</sup> Anniversary Fun Day**

This year sees our oldest church celebrate its 200th anniversary. Emmanuel Church have a planned programme of events running throughout the year; one being a fun day planned for 2 August 2025.

By way of continuing to build community between NPC and our local organisations and groups, the Clerk, along with Cllrs Hill and Nagle-Taylor discussed the possibility of attending the fun day by way of hosting a table at the event whereby NPC would run a version of the Where's Santa game for the children, only this time it will be entitled Where's Graham (Rev. Hoslett).

Cllr Hill has kindly offered to man the table, Cllr Nagle-Taylor will adapt the game with lollipops being given to all who take part (no adults) and money boxes being given to those who find Graham. Both the lollipops and money boxes were left over from the CCM so there will be no additional outlay by NPC.

Cllr Hill would appreciate another councillor being with her. The event is scheduled to run from 11am till 1.30pm.

**Matters for consideration:**

1. Are Council in agreement that NPC should support this event in this way?
2. Which other councillor will join Cllr Hill?
