

Strategic Approach 2022-2027

Updated 2025

Our Mission:

To serve our community through working in partnership

Our Vision:

To improve the quality of life for residents of Normandy by establishing a safe, welcoming and neighbourly place to live, work and visit whilst enhancing the natural environment.

Our Themes:

The Parish Coun

cil will work with the residents of Normandy to address the following themes in a cost-effective, sustainable way.

- 1. Community Safety**

Priority: To work with residents, partners and agencies to ensure a safe environment

- 2. Conservation and Habitat**

Priority: To enhance our locality by providing green and open spaces which contribute to biodiversity in the parish, whilst retaining the rural village character

- 3. Leisure and Recreation**

Priority: To work collaboratively with residents, sports groups and clubs to ensure provision of all facilities within the parish

- 4. Social Inclusion**

Priority: To facilitate and organise community events to foster a friendly, vibrant and welcoming community

- 5. Effective Communications**

Priority: To improve communication with the whole community using multiple, innovative and engaging methods

- 6. Community Empowerment and Representation**

Priority: Ensure that resident's voices are heard and represented in local government reorganisations and within balanced planning for the community's future
