

C26-033 SALC Playground Training

Surrey ALC are hiring NVH to deliver a Playground Inspectors course on Thursday 17th September, attendees (max 12, but anticipating 7-9) will be fellow councillors, clerks, maintenance teams and volunteers from across Surrey. As part of the course the delegates need to visit 3 local playgrounds for 30-40 mins each.

Matters for consideration

Would NPC be willing to allow use of their playgrounds as they are so local? SALC also will be reaching out to Ash and the Army Camp in Pirbright. The delegates will be shown the equipment onsite and demonstrated how to inspect and what to look out for etc.
